New York, NY 10027

David C. Driskell in his studio in 2019 with his last painting, *Homage to Toni Morrison*.

Freddy Rodriguez pictured in 2013 with his painting, *Rayuela/Hopscotch*.

Featured Speakers

Pamela Newkirk, PhD, an award-winning journalist and multifaceted scholar whose work addresses the historical exclusion of multidimensional portraits of African descendants in scholarship and popular culture.

Dr. Alejandro Anreus, a nationally and internationally-recognized scholar for his commitment to exhibiting, documenting and teaching the critical role of Latin American, Caribbean and other underrepresented artists.
